Preferred Job: web developer

Field: Information Technology

WORK EXPERIENCE

Total Years of Experience: 8 years, 5 months

web developer at TIU – Tishk International University October 2015 – Present

Iraq – Erbil

main web developer at Tishk International University

CEO at OptiKnowledge October 2015 – June 2017

Iraq – Erbil

I was working as a CEO in my own company, which was OptiCode, we used to have only the technological section at that time but we improved it to OptiKnowledge which has now 3 sections (culture, education and technology) we doing a good job in communicating with people and hard clients easily.

social media manager at erbil surprise September 2016 – February 2017

Iraq – Erbil

i worked as a social media manager at Erbil Surprise, i used to manage, control and improve their social media accounts like Facebook and Instagram, we scored a very good score by increasing the number of likes and followers for both accounts, and also number of viwers on both pages, shares, likes and comments as well.

co-founder and CEO at OptiCode January 2015 – January 2017

Iraq – Erbil

I worked as a CEO in my own company which contains about 4 – 6 employees, i improved my skills and did very good in managing the employees helping them improve their skills in their field.

Typist at Abdul Raqib Yousif January 2015 – April 2015

Iraq – Sulaymaniyah

worked as a typist at Abdul Raqib Yousif's office, the Director of the General Antiquities of Kurdistan, it was a good experience for me, because it improved my typing skills a lot.

Admin at Miral

January 2011 – January 2012

Syria – Aleppo

working as an administrator in a barber shop was a good new experience for me, the shop used to have 5 employees, i could easily handle the job and working 13 hours a day.
